BETTENDORF SENIOR HIGH SCHOOL

1951 — 1973

A TIME
OF
TRANSITION

REFLECTIONS

1951 . . . the first day of school each year when students piled into the gym to greet another year . . . the traditional bonfire, now a new torch . . . the time of bobby-sox and saddle shoes to a day of midis and maxis . . . crammed lockers with three owners . . . basketball games with the smell of popcorn filtering through the tiny gym . . . the pep rallies . . . the football seasons on the field with a view of the river . . . the closeness and relaxed atmosphere between students and teachers in an overcrowded school . . . the wintry days of trudging through the snow to encourage voters for the bond issue . . . the hopes, traditions, and dreams that will become a reality in the new school facility . . . 1973.
